

# Cysts, Sinuses, and Pits (Weedon Chapter 16)

Paul K. Shitabata, M.D.  
Dermatopathology Institute

# Cyst or Pseudocyst?

Histopathology	Epithelial Lining?
Infundibular cyst	
Mucocele	
Sinus tract	
Cutaneous Pit	

# Answers

Histopathology	Epithelial Lining?
Infundibular cyst	Yes
Mucocele	No
Sinus tract	No
Cutaneous Pit	Yes

# Cyst or Pseudocyst?

Disease	Cyst or Pseudocyst
Phaeomycotic cyst	
Dermoid cyst	
Cystic teratoma	
Median raphe cyst	
Bartholin's cyst	

# Answers

Disease	Cyst or Pseudocyst
Phaeomycotic cyst	Pseudocyst
Dermoid cyst	Cyst
Cystic teratoma	Cyst
Median raphe cyst	Cyst
Bartholin's cyst	Cyst

# Comparison

Histopathology	Bronchogenic Cyst	Branchial Cleft Cyst	Thymic Cyst
Pseudostratified columnar epithelium			
Lymphoid follicles			
Smooth muscle in the wall			

# Answers

Histopathology	Bronchogenic Cyst	Branchial Cleft Cyst	Thymic Cyst
Pseudostratified columnar epithelium	+	+/-	+/-
Lymphoid follicles	Rare	Common	Hassall's corpuscles
Smooth muscle in the wall	Common	Rare	-
